

Overview

SMS-Magic Converse is a simple business messaging app, that lets you text right from inside your Salesforce CRM. You can empower your agents to do interactive messaging, automated messaging, and campaigns. SMS-Magic Converse makes it easy for admins to set up the app with clickable wizards for even the most complex use cases, like surveys, drip-campaigns, nurtures, and keyword-based automation.

The Quickstart guide will give you a headstart on your messaging journey. If you are evaluating SMS messaging for your business, then this guide helps you with the technical steps and critical considerations and decisions you need to take. It also tells you how SMS-Magic Converse can empower your business with a simple business texting solution.

Quick Snapshot to Converse Configuration Steps

You can quickstart your trial or implementation with an easy step by step guide here. Together with the magical wizards in
